

OS AMIGOS DA RATA LUÍSA

# Entroido

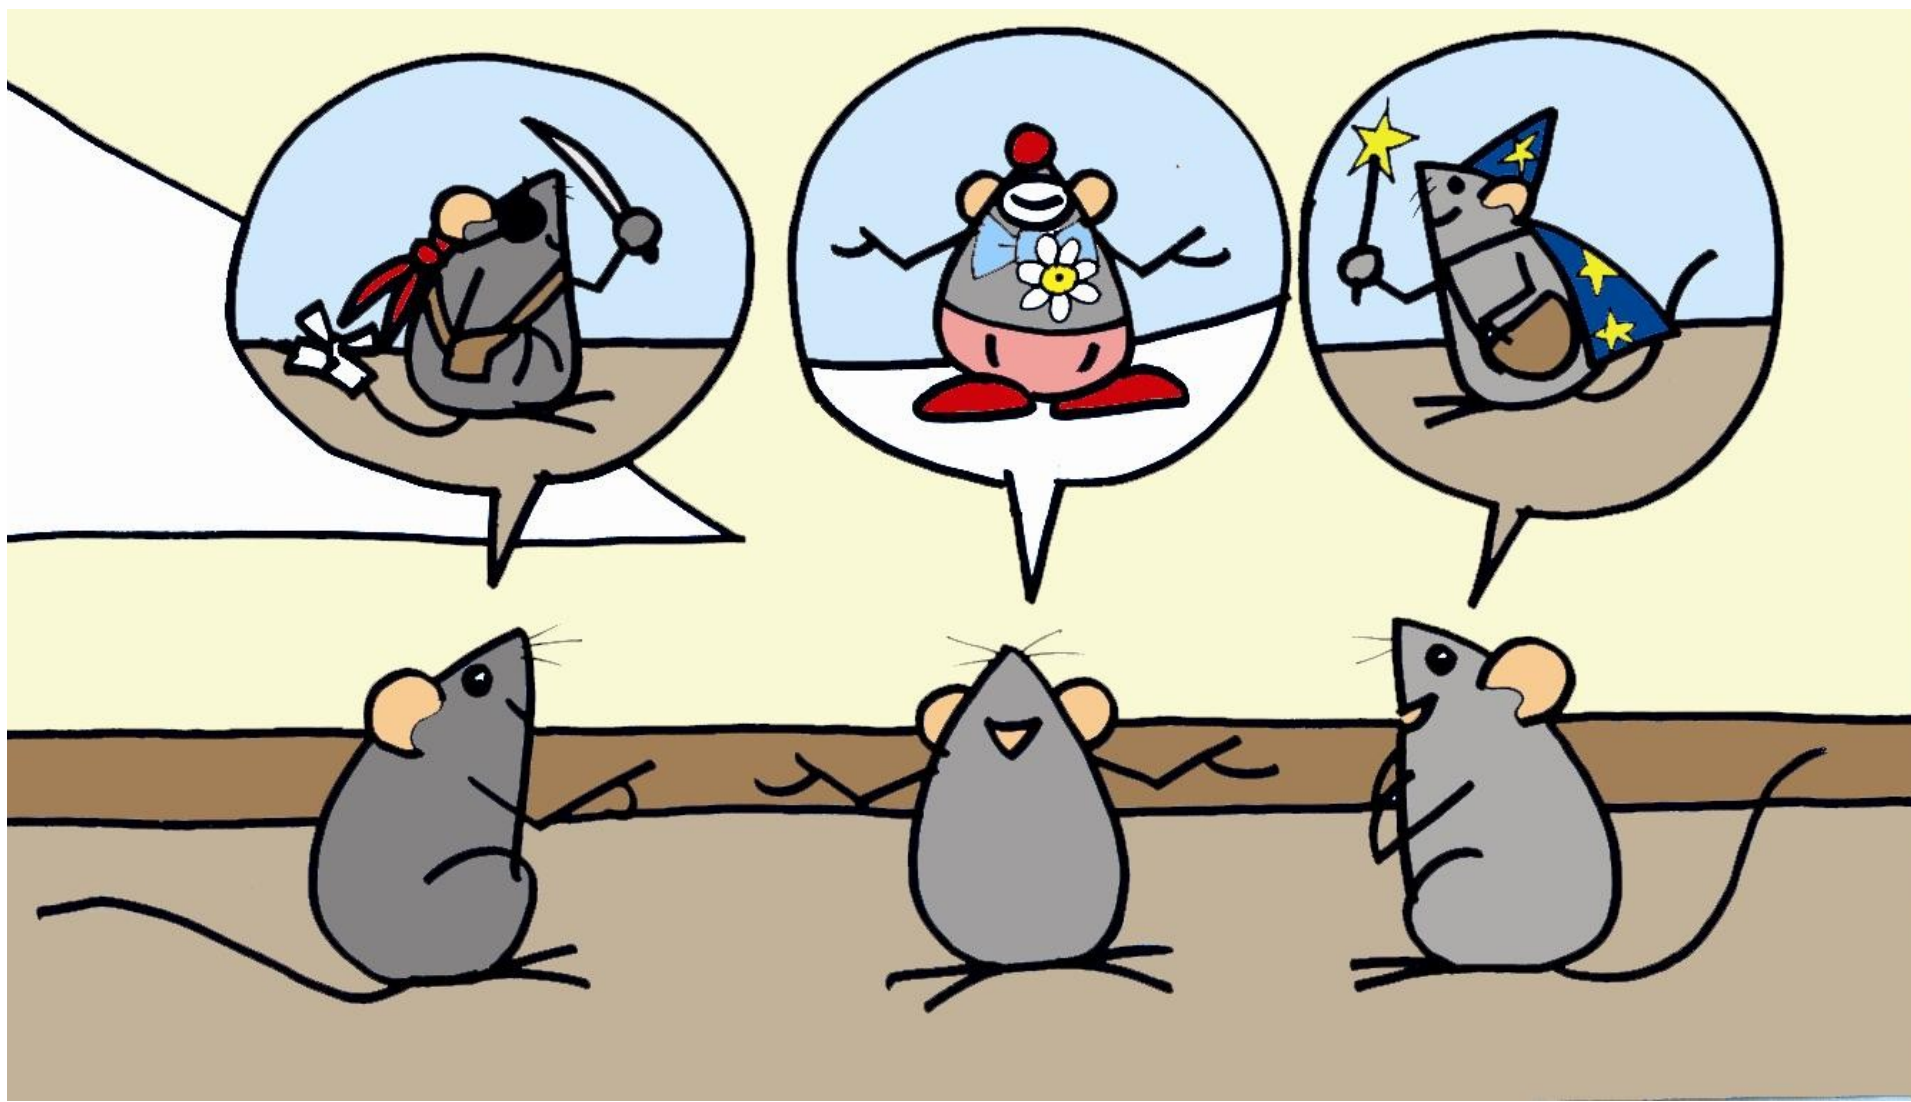

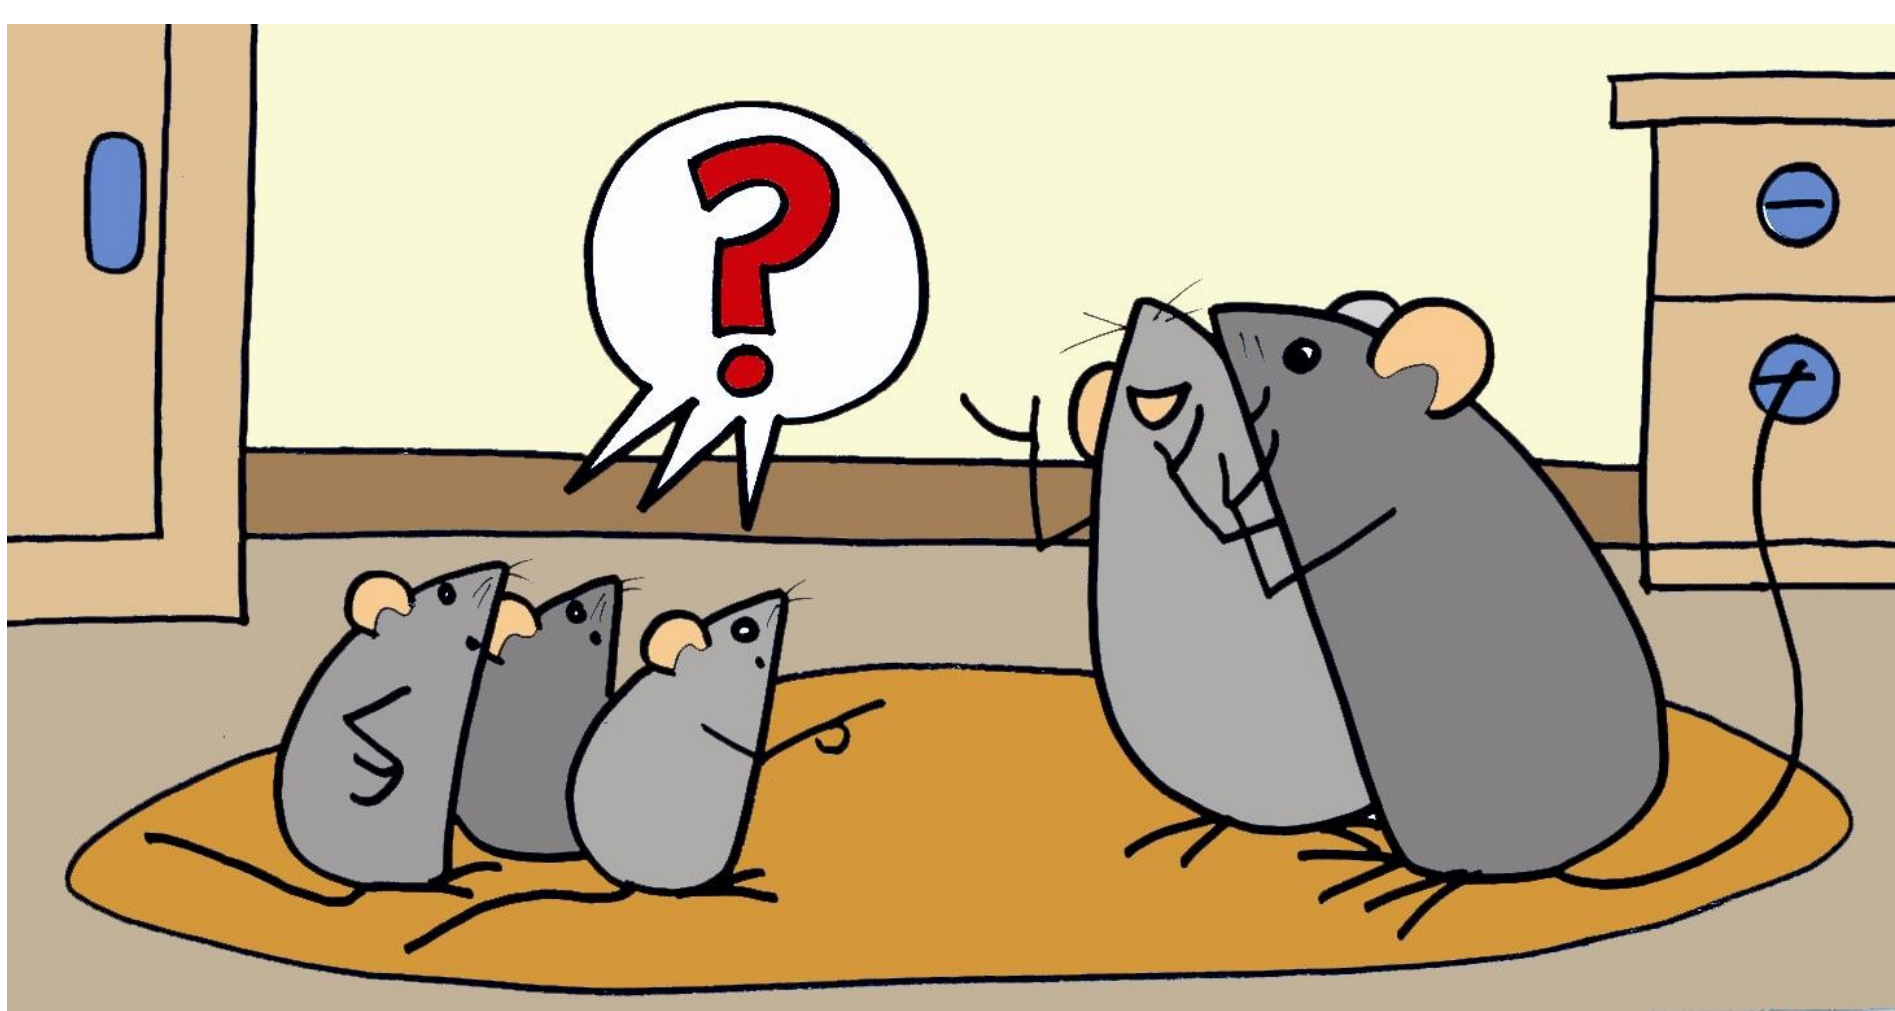

**Achégase o entroido e na casa dos ratos  
é case unha obriga iren disfrazados.**

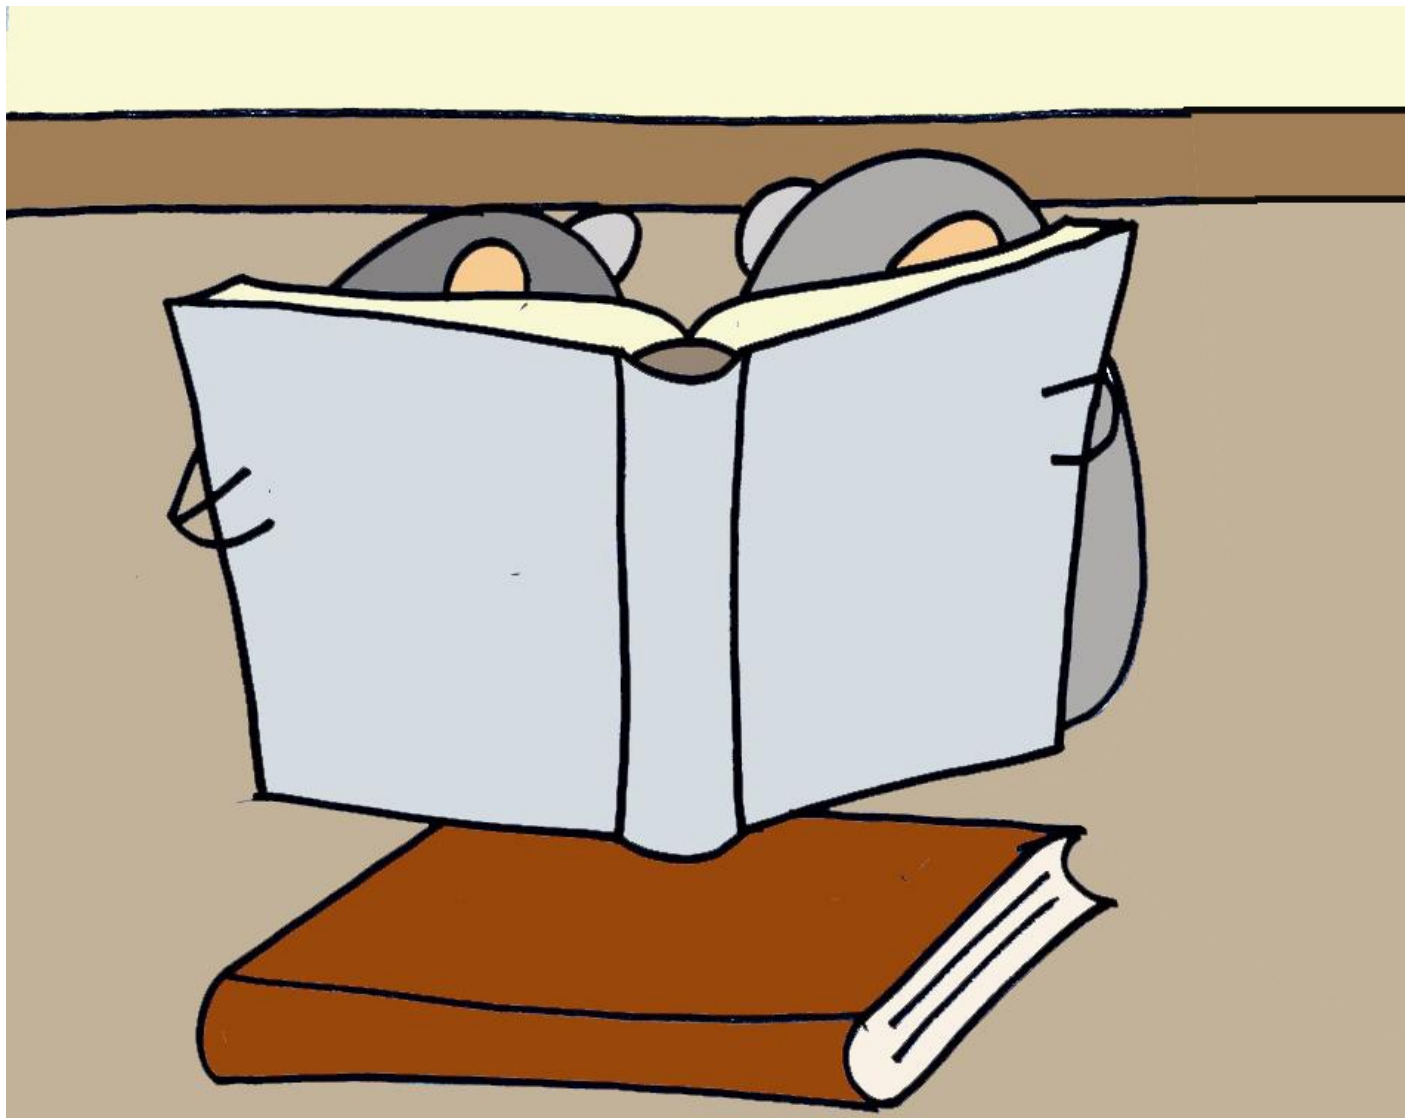

**E para teren traballo adiantado  
os nenos xa teñen o disfrace pensado.**

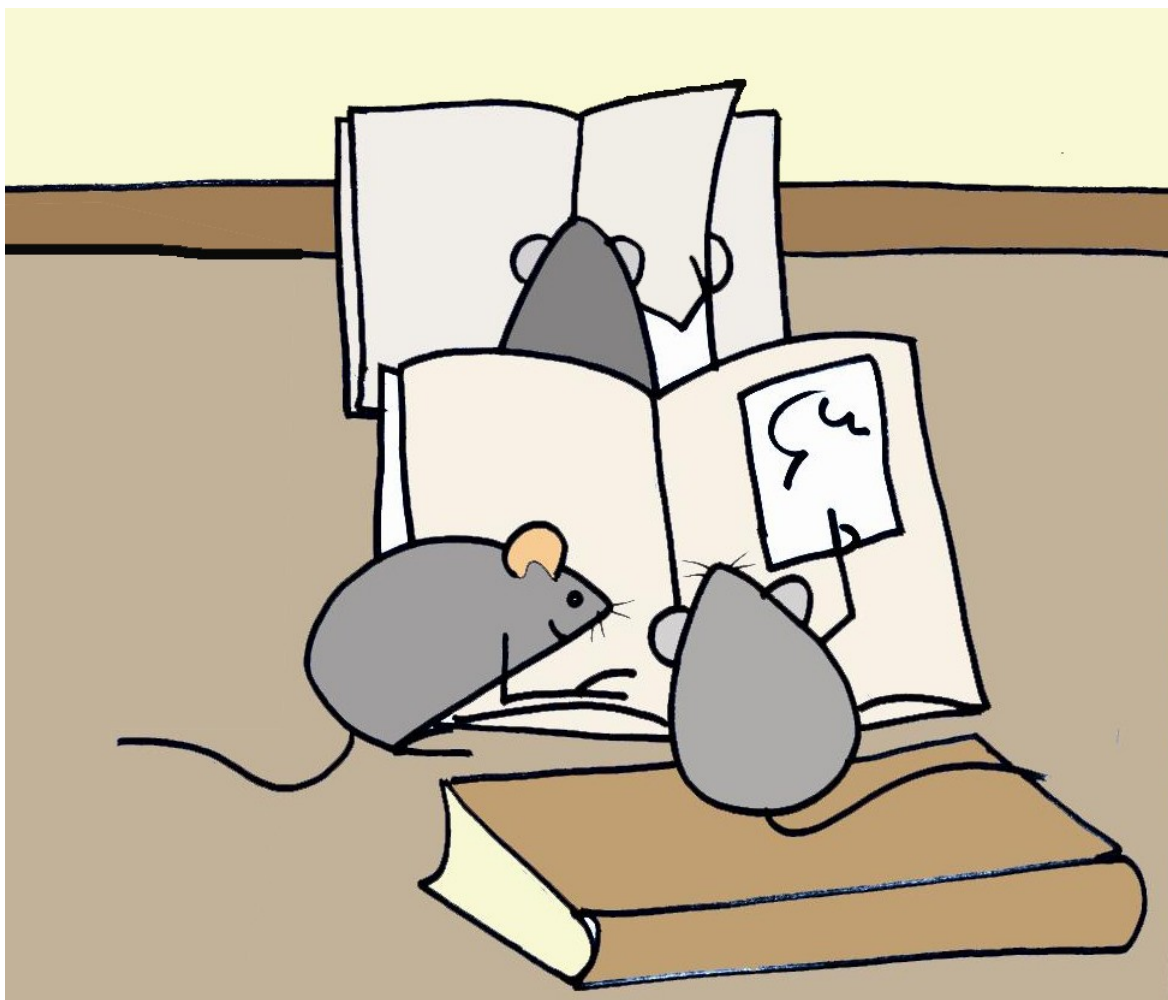

**Un quere ir de pirata, outro de pallaso e o terceiro quere un disfrace de mago.**

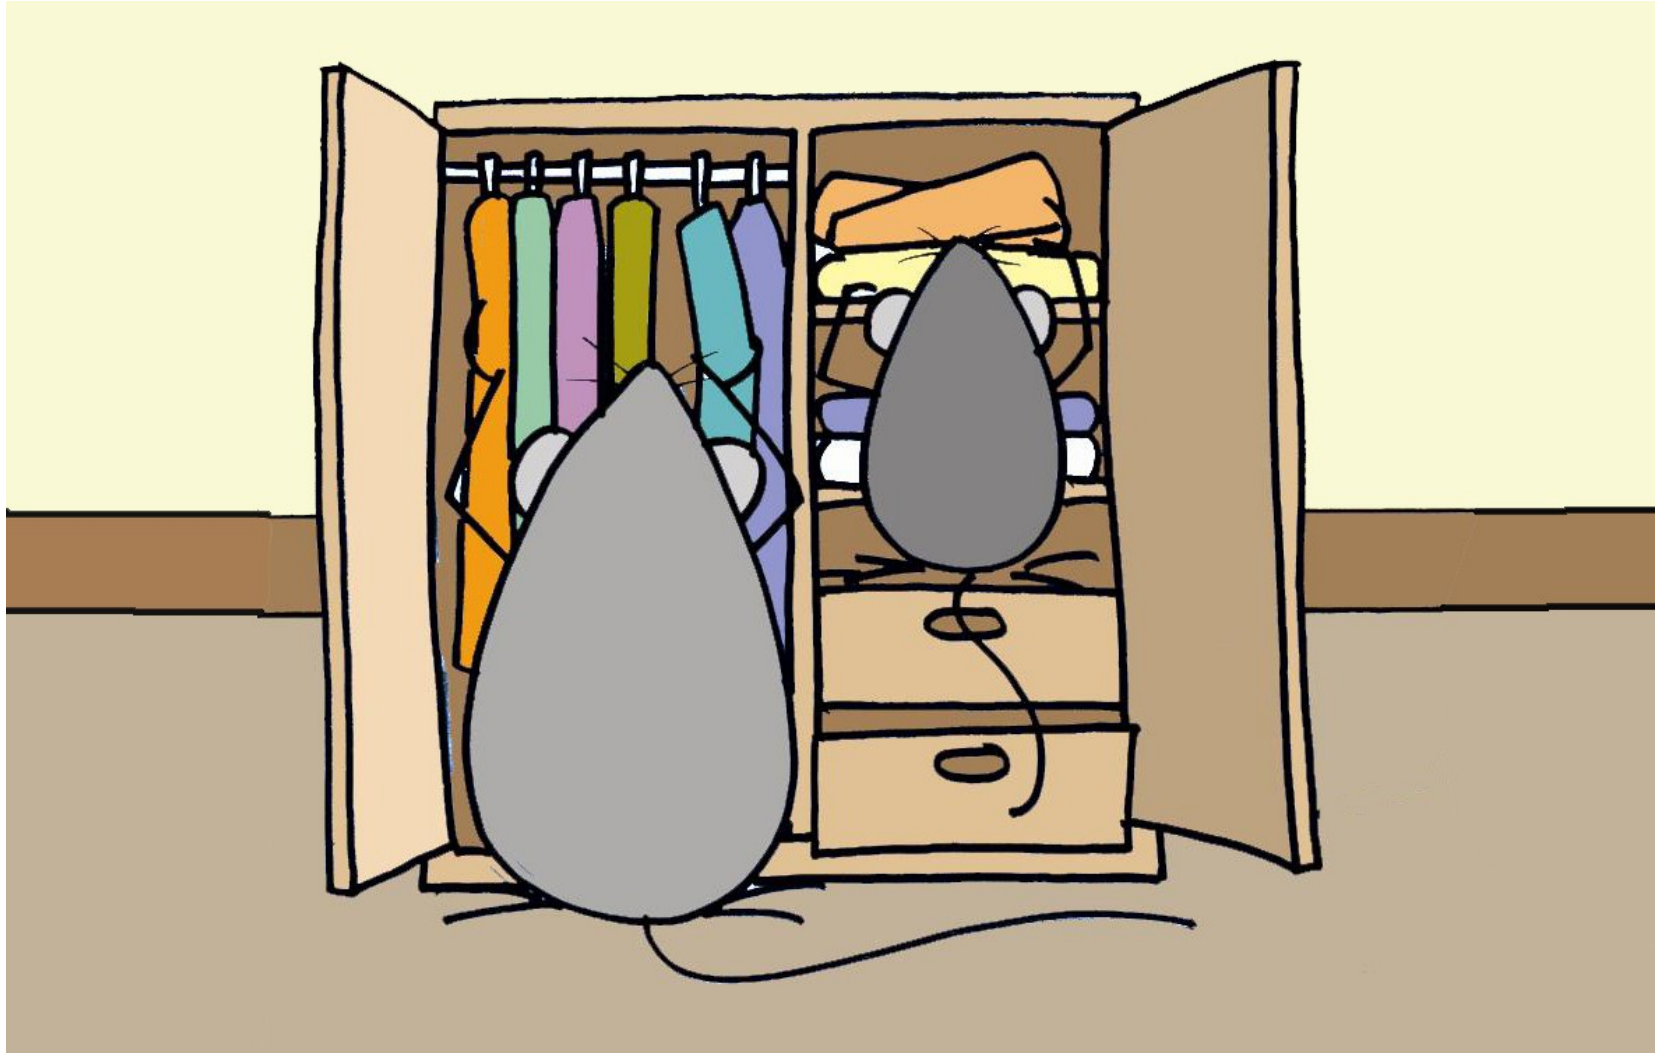

**Luísa e Roxelio gárdano en secreto.  
Queren sorprender ata aos mesmos nenos.**

**Todos collen revistas e miran nos libros,**

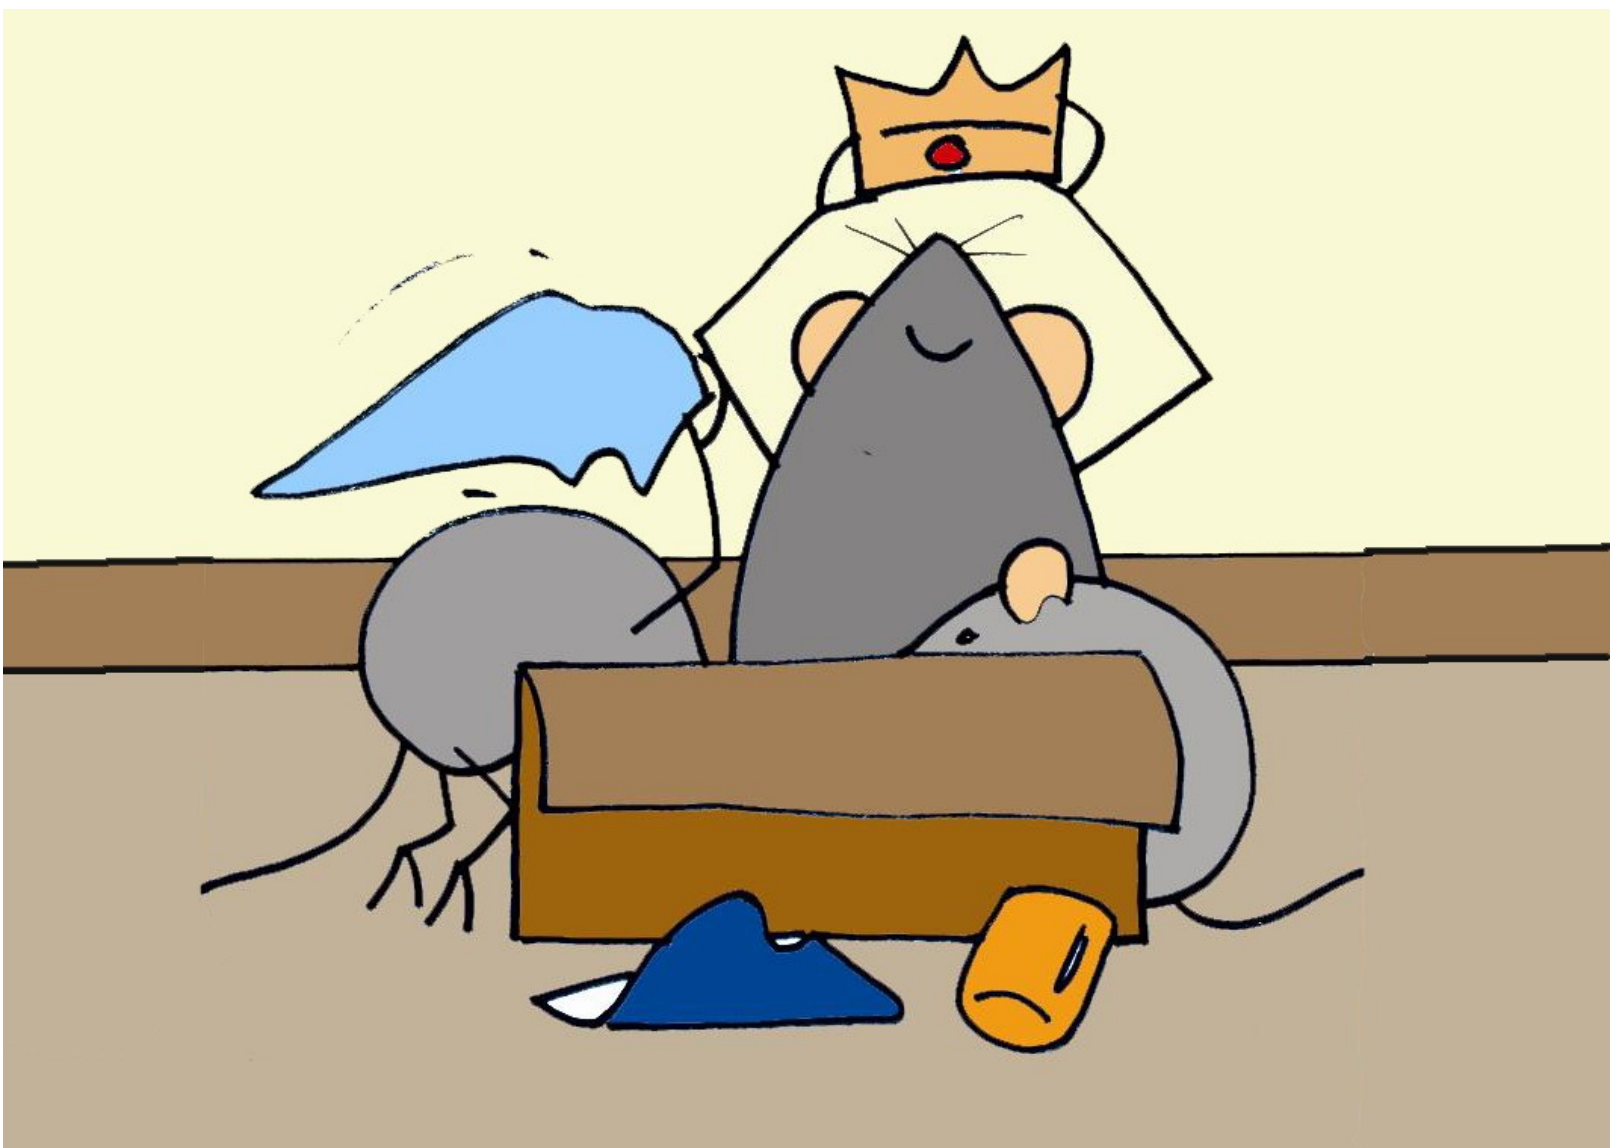

**queren ver modelos para os seus vestidos.**

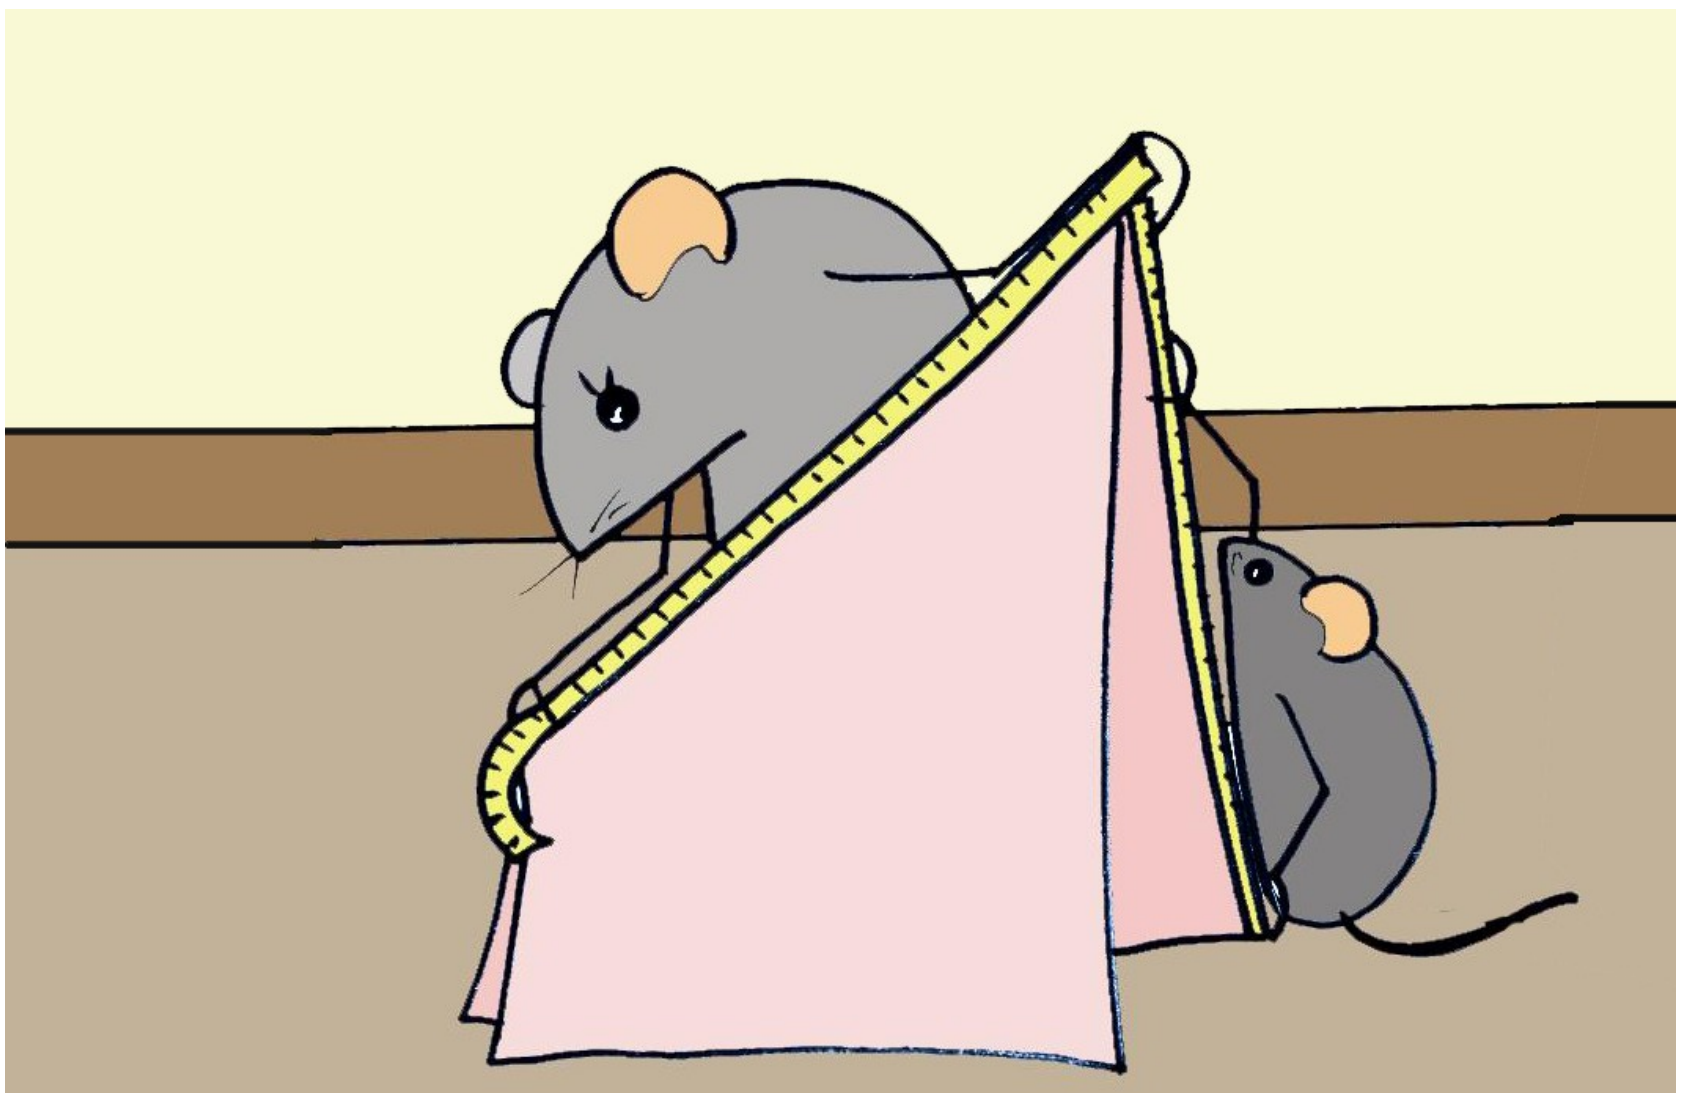

**Remexen armarios,**

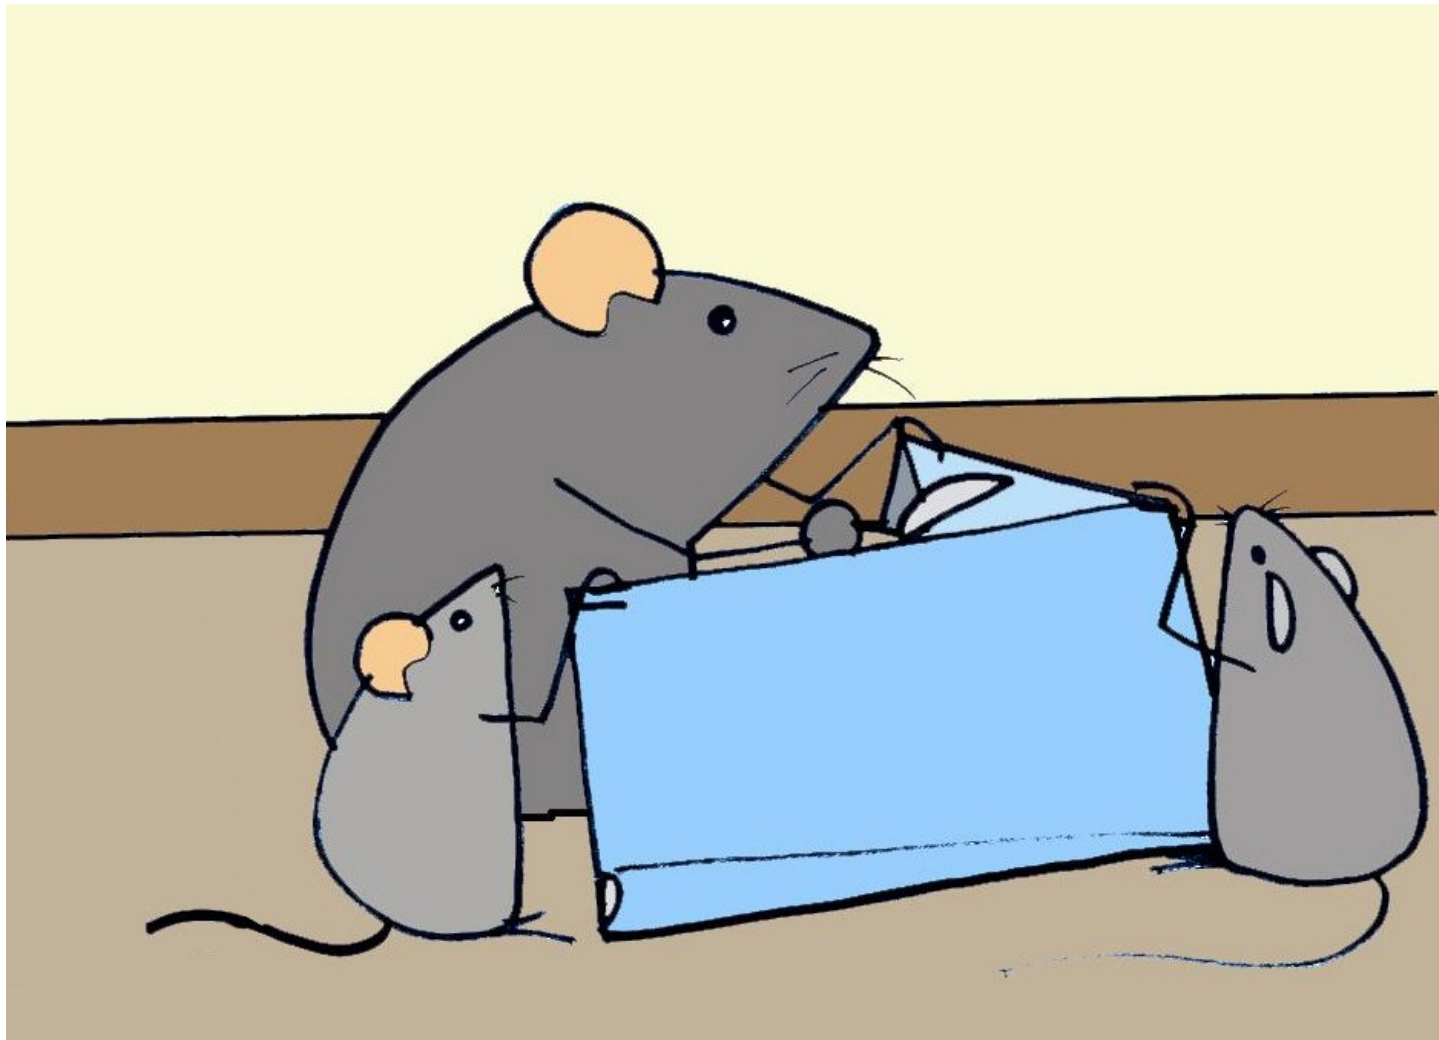

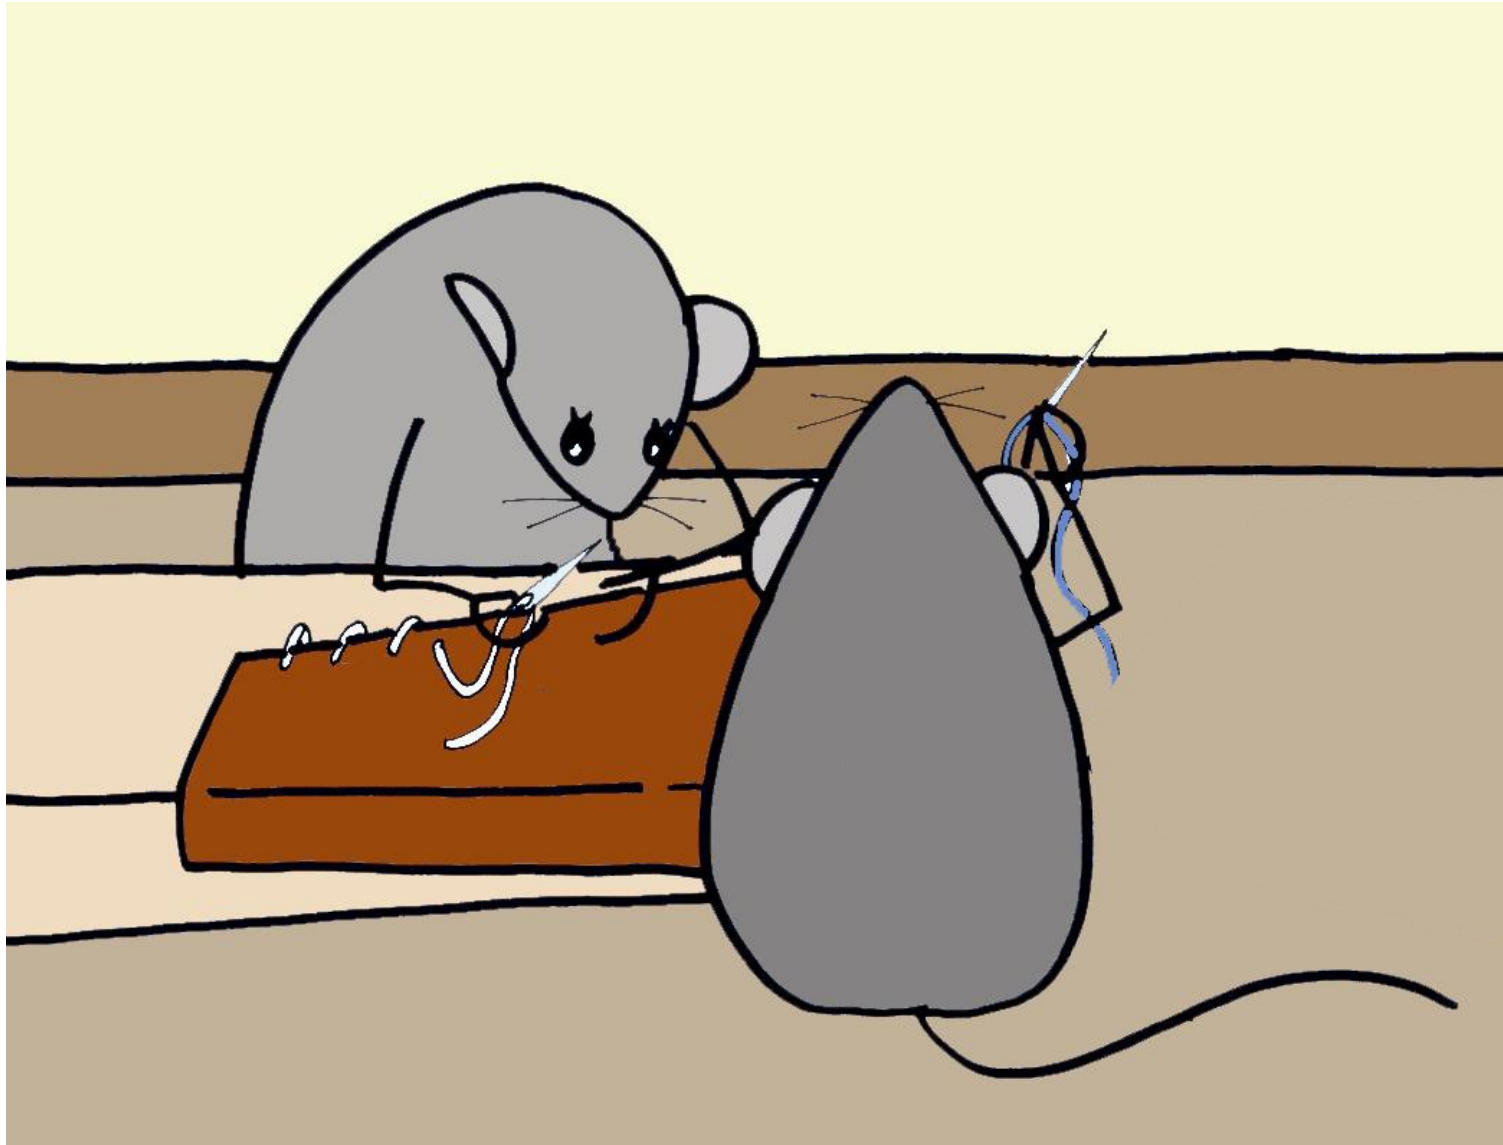

**e baleiran caixóns  
á busca de cousas para a ocasión.**

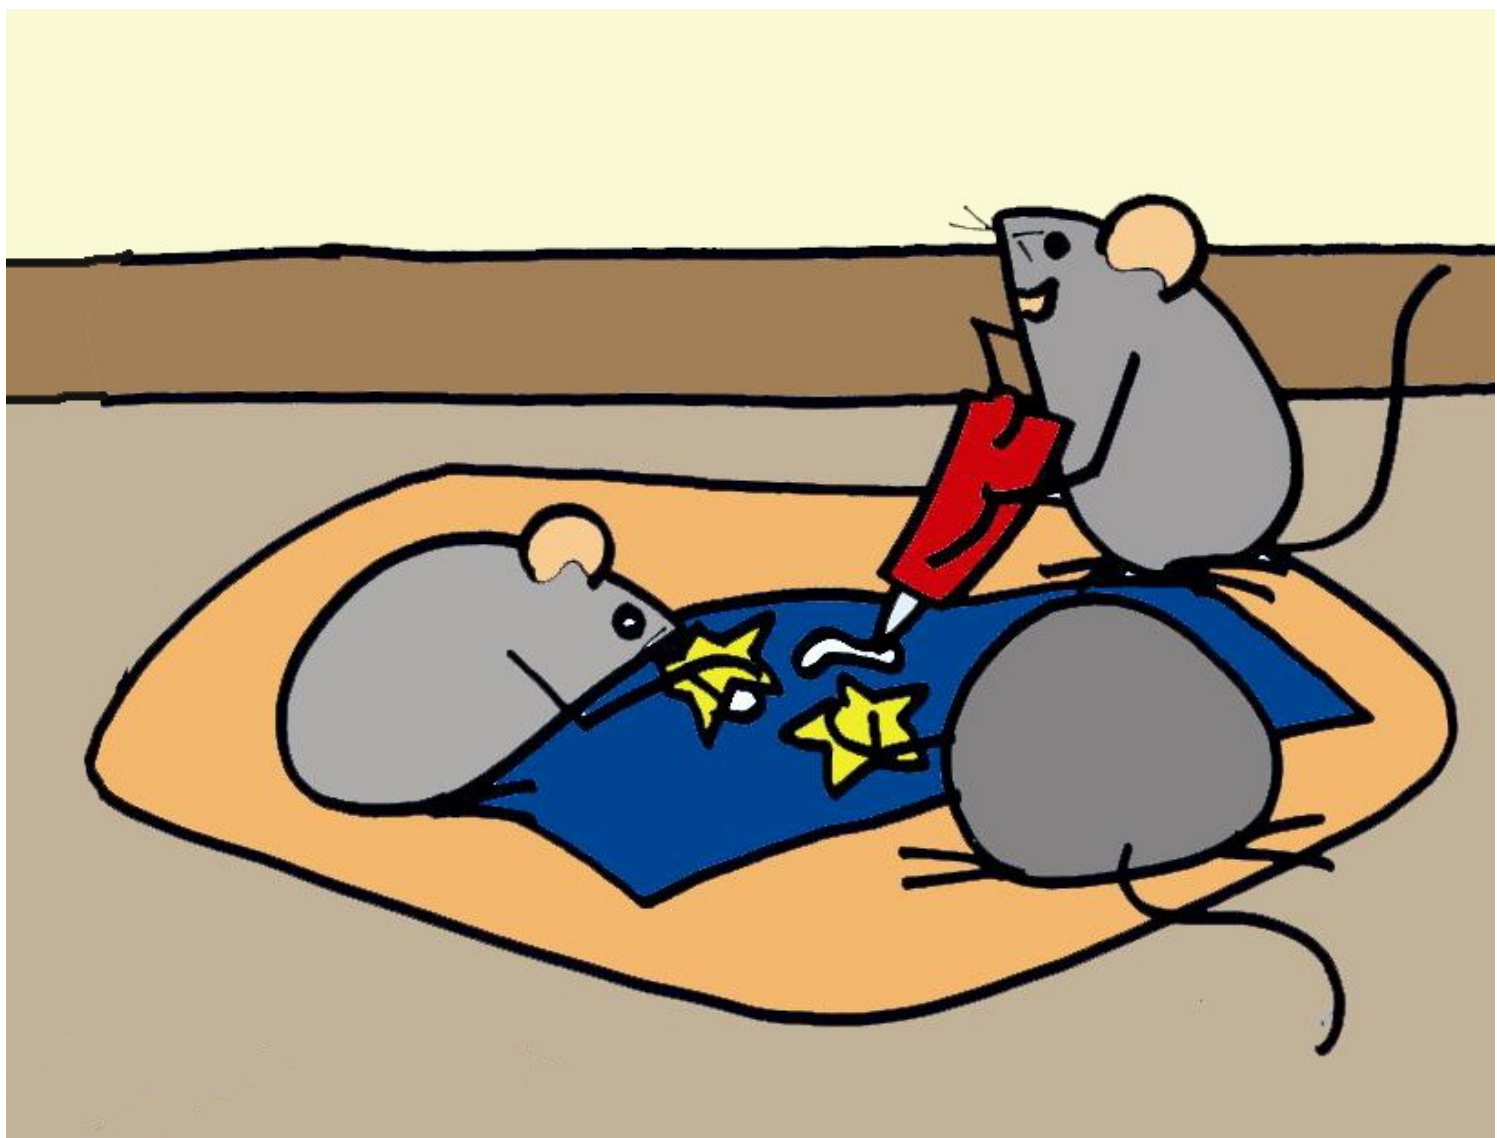

**Miden**

**e cortan,**

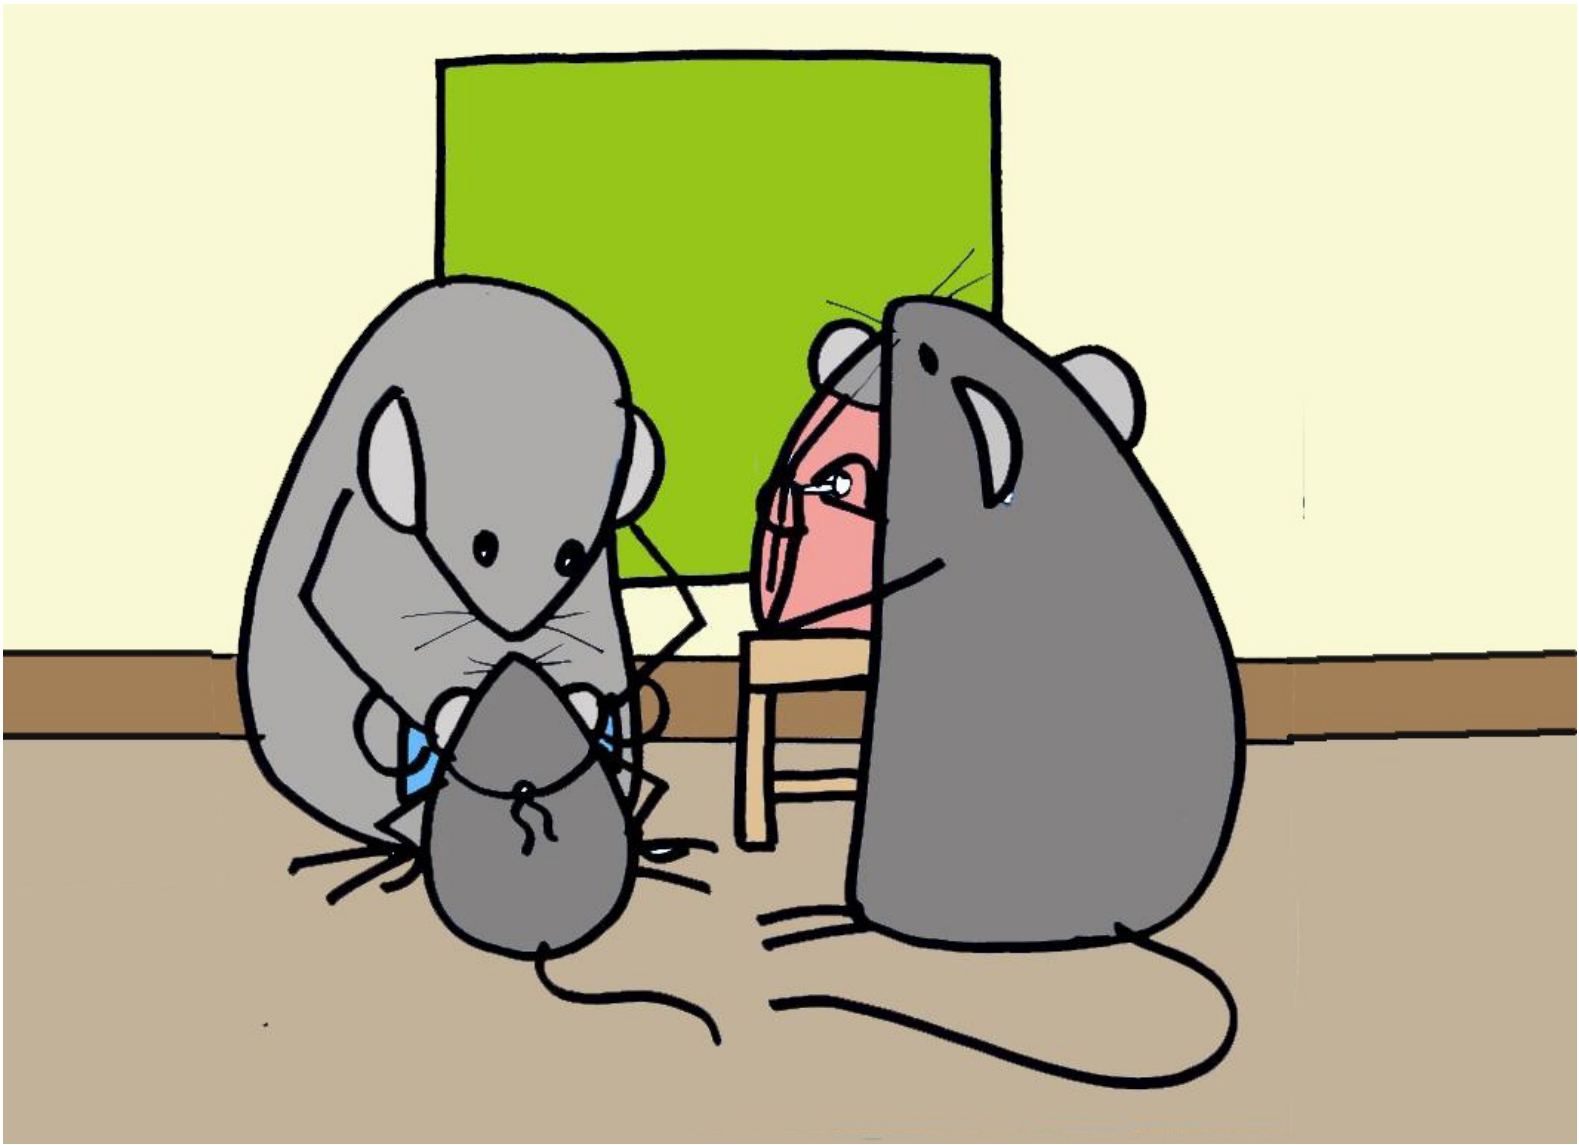

**cosen**

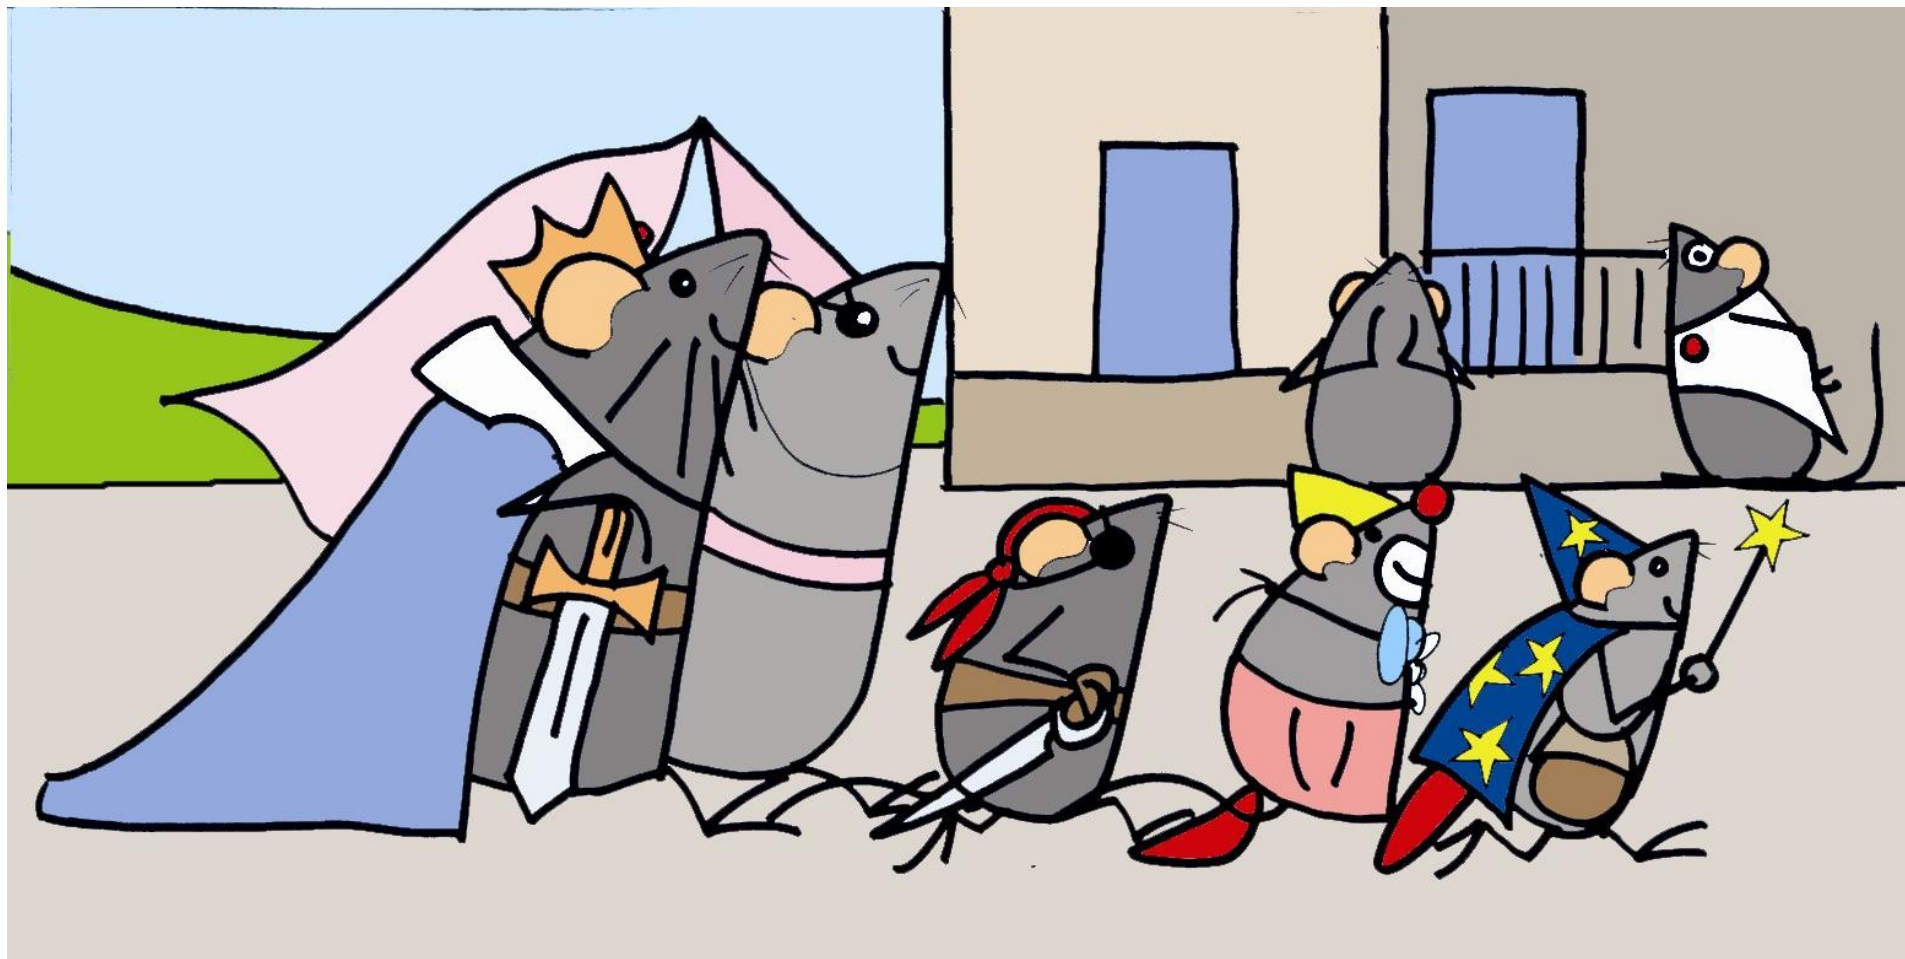

e pegan,

**pintan e proban,**

**retocan, asentan...**

**E ao chegar o día, pai, nai e rapaces  
saen á rúa a lucir os disfraces.**

**Luísa, Roxelio  
e mais os ratiños  
esperan que vos gusten  
estes seus contiños.  
Abur!**
